

SÉBASTIEN MARCHAND

Associate Professor (HDR) of Economics

2 July 2026 | [Current version](#)

sebastien.marchand@uca.fr | [CERDI webpage](#) | [Google Scholar](#) | [ORCID](#)

Academic appointments

Université Clermont Auvergne, Centre for International Development Study and Research ([CERDI](#)), CNRS, IRD, 2013–
Clermont-Ferrand, France. Associate Professor (Maître de conférences) in Economics; HDR since 2022.

Education

Habilitation to Supervise Research (HDR), Economics, Université Clermont Auvergne. Thesis: *La durabilité des systèmes de production agricole dans les pays en développement* [Sustainability of agricultural production systems in developing countries]. 2022

PhD in Economics, CERDI, Université d'Auvergne. Thesis: *Institutions and deforestation in developing countries*. 2011
Supervisors: Pascale Combes Motel and Florent Garnier.

Research Master's degree in Development Economics, Université d'Auvergne. 2008

Professional Master's degree in Project Analysis, Université d'Auvergne. 2008

Research fields

Environmental and development economics; agricultural economics; climate economics; institutions and land use; applied microeconometrics; spatial econometrics; stochastic-frontier methods.

Journal publications

Mass media as an environmental watchdog? Evidence from the war on air pollution in China (with D. Cubizol, E. Nasho Ah-Pine, and H. Guo). *Environment and Development Economics*, 1–25 (2025). [Available here](#).

Enhancing employment through log export ban: Insights from wood-processing firms in developing countries (with M. Zerbo). *Forest Policy and Economics*, 174, 103491 (2025). [Available here](#).

Industrial water pollution and farmer adaptation: Evidence from rice farming in Jiangsu, China (with M. Barro, H. Xiong, and H. Guo). *Agricultural Economics*, 56(1): 108–123 (2025). [Available here](#).

Exploring the linkages between farm efficiency, farm environmental performance, and agri-environmental scheme adoption: Lessons from France (with T. B. Diop, S. Blancard, S. Legras, and L. Védrine). *Journal of Environmental Management*, 366, 121519 (2024). [Available here](#).

Valuing insurance against small probability risks: A meta-analysis (with S. Mankai and N. H. Le). *Journal of Behavioral and Experimental Economics*, 109, 102181 (2024). [Available here](#).

Abundance, perceptions and utilizations of termite mounds in Cambodia (with R. Muon, C. Lai, V. Hervé, R. Zaiss, F. Chassagne, E. Bureau-Point, M. Audibert, J. Berger, F. Wieringa, *et al.*). *Soil Use and Management*, 39(3): 1172–1184 (2023). [Available here](#).

Revisiting the trade restrictions-industrialization nexus in developing countries: The case of log export ban and wood processing (with M. Zerbo). *Journal of Forest Economics*, 38(2): 195–233 (2023). [Available here](#).

Social interactions and spillover effects in Chinese family farming (with H. Guo). *The Journal of Development Studies*, 55(11): 2306–2328 (2019). [Available here](#).

Explaining the persistence of low income and environmentally degrading land uses in the Brazilian Amazon (with R. D. Garrett, T. A. Gardner, T. F. Morello, J. Barlow, D. Ezzine de Blas, J. Ferreira, A. C. Lees, and L. Parry). *Ecology and Society*, 22(3) (2017). [Available here](#).

The colonial origins of deforestation: An institutional analysis. *Environment and Development Economics*, 21(3): 318–349 (2016). [Available here](#).

Protected areas, local governments, and strategic interactions: The case of the ICMS-Ecológico in the Brazilian state of Paraná (with A. Sauquet and J. G. Férès). *Ecological Economics*, 107: 249–258 (2014). [Available here](#).

The environmental efficiency of non-certified organic farming in China: A case study of paddy rice production (with H. Guo). *China Economic Review*, 31: 201–216 (2014). [Available here](#).

A social and ecological assessment of tropical land-uses at multiple scales: The Sustainable Amazon Network (with T. A. Gardner, J. Ferreira, J. Barlow, A. C. Lees, L. Parry, *et al.*). *Philosophical Transactions of the Royal Society B*, 368(1619) (2013). [Available here](#).

The relationship between technical efficiency in agriculture and deforestation in the Brazilian Amazon. *Ecological Economics*, 77: 166–175 (2012). [Available here](#).

Legal origin, colonial origins and deforestation. *Economics Bulletin*, 32(2): 1653–1670 (2012). [Available here](#).

Book chapters

Goujon, M., S. Marchand, and O. Santoni. *The Physical Vulnerability Indicator to Climate Change: What Role Can It Play in Thinking About Adaptation Policies and Their Evaluation?* In H. Gérardin and M. Clément (eds.), *Development Policies, Actors and Evaluations*, Éditions EME (forthcoming, 2026).

Marchand, S. and M. Goujon. *Measuring Vulnerability to Climate Change*. In F. Cafarelli (ed.), *The Resilience of Territories Exposed to Natural Hazards*, Mare & Martin (2023) [in French].

Goujon, M., S. Marchand, and O. Santoni. *A Comparative Measure of Territorial Vulnerability to Cyclone Activity: The Case of Vietnam*. In R. Bentirou Mathlouthi and A. Pomade (eds.), *Environmental Vulnerabilities: Interdisciplinary Perspectives*, L'Harmattan (2023) [in French].

Working papers and research in progress

Lao, C., M. Audibert, P. Jouquet, R. Muon, K. Sok, and S. Marchand. “Beyond the Surface: When Termite Mounds Affect Rice Production in Cambodia?” Submitted to *World Development*.

Beaucoral, P., M. Goujon, and S. Marchand. “No Plan, No Aid? The Effects of National Adaptation Plan Implementation on Received Adaptation Aid.”

Chheang, S. and S. Marchand. “Termite Mounds, Input Allocation, and Agricultural Misallocation.”

Marchand, S., D. Cubizol, and H. Guo. “Sentiment Analysis and Air Pollution: Evidence from Weibo Posts in China.”

Marchand, S., D. Cubizol, and H. Guo. “Sentiment Analysis and Air Pollution: Evidence from Industrial Firms in China.”

Diallo, Y., S. Marchand, and E. Espagne. “Impacts of Extreme Climate Events on Technical Efficiency in Vietnamese Agriculture.” *CERDI Working Paper* 2019/12; *AFD Research Papers*.

Research projects, grants, and fellowships

ECOTERM (ANR-PRC, 48 months). Economics Work Package Coordinator. Interdisciplinary project on the ecosystem services of termite mounds in Cambodian agricultural landscapes; work-package budget: EUR 110,000. 2023–2027

I-Site CAP 20-25 doctoral fellowship. Co-supervision of Ngoc Ha Le’s doctoral research on the valuation of adaptation to cyclone risk in Vietnam. 2019–2022

Rede Amazônia Sustentável (Sustainable Amazon Network). Member of an international interdisciplinary research network on sustainable development and land-use change in the Brazilian Amazon. 2011–2015

Brazilian Ministry of Science and Technology postdoctoral fellowship. Federal University of Viçosa / IPEA, Rio de Janeiro. 2012

French Ministry of Higher Education and Research doctoral fellowship. 2008–2011

Doctoral and research supervision

Current PhD supervision: Chanrithy Lao, *Ecosystem services of termite mounds in Cambodia* (since 2023; co-supervision with M. Audibert and P. Jouquet; ECOTERM); Pierre Beaucoral, *Climate adaptation finance and National Adaptation Plans* (since 2023; co-supervision with M. Goujon).

Completed PhD supervision: Yoro Diallo, *Socio-economic impacts of climate change in developing countries* (2021; co-supervision with M. Goujon; now at the International Monetary Fund); Mouhamed Zerbo, *Essays on log export-ban reforms* (2023; co-supervision with B. Laporte); Maimouna Barro, *Three essays on challenges facing agriculture in developing countries* (2024; co-supervision with M. Audibert).

Other supervision: Sreyphéa Chheang, Postdoctoral Researcher, ECOTERM (since 2025); Lionel Védrine, HDR mentoring, INRAE (HDR defended in 2025).

Teaching

Undergraduate teaching, Université Clermont Auvergne. Introduction to Economics; Economic History; Macroeconomics; International Economics; Political Economy; Sustainable Territorial Policies; Ecological and Territorial Transitions. 2013–

Master’s teaching, Economics and Territorial Transitions track. Institutional Economics; Territorial Public Policy; Territorial Engineering; applied seminars; supervision of internships and collective projects. 2013–

Executive Master’s programmes, UCA/FERDI and UCA/AFD. Environmental Economics, monetary valuation, and consumer microeconomics in the GPE and MODEV programmes. 2015–

Other professional activities

Professional training, IHEDD/FERDI. Scientific Coordinator of *Piloting the Ecological Transition: Practical Tools for Public Action*; online and in-person training for public-sector practitioners on environmental-economic accounting, monetary valuation, and macro-environmental models. 2024–

Academic leadership and institutional service

Elected member, Conseil de la Formation et de la Vie Universitaire, Université Clermont Auvergne. 2026–

Member, National Commission for Agricultural Higher Education and Research (CNECA), Section 9: Economics, Human and Social Sciences.	2022–
Co-Director, Master's track in Economics and Territorial Transitions, UCA School of Economics (sole director, 2013–2019).	2017–
Coordinator, <i>Environment and Economic Policy</i> module in the GPE Master's programme, organised with FERDI.	2016–
Head, undergraduate degree in Administration and Social Sciences, UCA School of Law.	2013–2021
Elected member, Conseil d'administration, Université Clermont Auvergne.	2021–2026
Elected member, CERDI Laboratory Council.	2017–2021

Conference and seminar presentations

CEE-M Seminar, Montpellier; GRETHA Seminar, Bordeaux; CleRMa Seminar, Clermont-Ferrand.	2022
FEARE Conference, Grenoble.	2021
24th EAERE Conference, Manchester.	2019
INRA–CERDI Workshop on Land Use and Environmental Socio-Economic Vulnerability, Clermont-Ferrand.	2018
Nanjing Audit University Seminar, Nanjing, China.	2017
Sustainable Amazon Network Symposium, Caraça, Brazil.	2015
AFSE Annual Conference, Lyon.	2014
AFSE Annual Conference, Aix-en-Provence; 20th EAERE Conference, Toulouse; INFER Annual Conference, Orléans.	2013
ISEE Conference, Rio de Janeiro; ADRES Annual Doctoral Conference, Marseille.	2012
CSAE Conference, Oxford; LEO Seminar, Orléans; LEF Seminar, Nancy.	2011
CERDI International Conference on Environment and Natural Resources Management in Developing and Transition Economies, Clermont-Ferrand; NAKÉ Research Day, Utrecht.	2010
CERDI Workshop on Tropical Deforestation, Clermont-Ferrand.	2008

Professional activities

Refereeing: *American Journal of Agricultural Economics*; *China Economic Review*; *Ecological Economics*; *Economic Inquiry*; *Environment and Development Economics*; *Environment, Development and Sustainability*; *Frontiers in Ecology and the Environment*; *Journal of Forest Economics*; *Revue d'Économie du Développement*; *Revue Économique*; *World Development*; and others.

Thesis examining: External reviewer for Roxane Sybille Simamindra, Université de Pau et des Pays de l'Adour (2023); and Badreddine Aboufarasse, Université de Bordeaux (2024).

Scientific events: Organising Committee, first International Conference on Development Economics (ICDE), Clermont-Ferrand (2023).

Policy and public engagement: Contributor to the strategic committee of the City of Riom's ecological-transition programme (2021–2025); invited talks on environmental economics and planetary boundaries for public audiences.

Other positions

Federal University of Viçosa , Brazil, in collaboration with the Institute for Applied Economic Research (IPEA), Rio de Janeiro. Postdoctoral Researcher in the Rede Amazônia Sustentável (Sustainable Amazon Network).	2012
Université d'Auvergne , CERDI, Clermont-Ferrand, France. Temporary Teaching and Research Fellow (A.T.E.R.).	2011–2012
Université d'Auvergne , CERDI, Clermont-Ferrand, France. Doctoral Researcher and Teaching Assistant.	2008–2011
UMR Métafort (AgroParisTech, INRA, VetAgro Sup), Clermont-Ferrand, France. Research Assistant.	2007

Research visits

Research visit, Federal University of Viçosa and Sustainable Amazon Network Symposium, Brazil.	2015
Research visit and teaching, Nanjing Audit University, China.	2017

Skills, and languages

Stata, R, Matlab, $\LaTeX$.

Languages

French (native), English (fluent), Portuguese (basic).
