

SÉBASTIEN MARCHAND

Associate Professor (HDR) of Economics

2 July 2026 | [Current version](#)

sebastien.marchand@uca.fr | [CERDI webpage](#) | [Google Scholar](#) | [ORCID](#)

Academic appointments

Université Clermont Auvergne, Centre for International Development Study and Research (CERDI), CNRS, IRD	
Associate Professor (Maître de conférences) in Economics; HDR since 2022	2013–
Federal University of Viçosa, Brazil; in collaboration with the Institute for Applied Economic Research (IPEA), Rio de Janeiro	
Postdoctoral Researcher, Rede Amazônia Sustentável (Sustainable Amazon Network)	2012
Université d'Auvergne, Clermont-Ferrand, France	
Temporary Teaching and Research Fellow (A.T.E.R.)	2011–2012

Education

Habilitation to Supervise Research (HDR), Economics, Université Clermont Auvergne. <i>The sustainability of agricultural production systems in developing countries</i> [in French].	2022
PhD in Economics, CERDI, Université d'Auvergne. <i>Institutions and deforestation in developing countries</i> .	2011
Research Master's degree in Development Economics, Université d'Auvergne.	2008
Professional Master's degree in Project Analysis, Université d'Auvergne.	2008

Teaching

Undergraduate courses at UCA in Economics, Management, Law, and Administration and Social Sciences: Introduction to Economics, Economic History, Macroeconomics, Political Economy, and Ecological and Territorial Transitions.	2013–
Master's courses in the Economics and Territorial Transitions track: Institutional Economics, Territorial Public Policy, applied seminars, and supervision of internships and collective projects.	2013–
Executive Master's programmes (UCA/FERDI and UCA/AFD): Environmental Economics, Monetary Valuation, and Microeconomics.	2015–
Scientific Coordinator, <i>Piloting the Ecological Transition: Practical Tools for Public Action</i> , an IHEDD/FERDI professional training programme for public-sector practitioners.	2024–

Academic leadership

Co-Director, Master's track in Economics and Territorial Transitions, UCA School of Economics.	2017–
Coordinator, <i>Environment and Economic Policy</i> module in the GPE Master's programme (UCA/FERDI).	2016–
Head, undergraduate degree in Administration and Social Sciences, UCA School of Law.	2013–2021

Journal publications

- Mass media as an environmental watchdog? Evidence from the war on air pollution in China (with D. Cubizol, E. Nasho Ah-Pine, and H. Guo). *Environment and Development Economics*, 1–25 (2025). [Available here](#).
- Enhancing employment through log export ban: Insights from wood-processing firms in developing countries (with M. Zerbo). *Forest Policy and Economics*, 174, 103491 (2025). [Available here](#).
- Industrial water pollution and farmer adaptation: Evidence from rice farming in Jiangsu, China (with M. Barro, H. Xiong, and H. Guo). *Agricultural Economics*, 56(1): 108–123 (2025). [Available here](#).
- Exploring the linkages between farm efficiency, farm environmental performance, and agri-environmental scheme adoption: Lessons from France (with T. B. Diop, S. Blancard, S. Legras, and L. Védrine). *Journal of Environmental Management*, 366, 121519 (2024). [Available here](#).
- Valuing insurance against small probability risks: A meta-analysis (with S. Mankai and N. H. Le). *Journal of Behavioral and Experimental Economics*, 109, 102181 (2024). [Available here](#).
- Abundance, perceptions and utilizations of termite mounds in Cambodia (with R. Muon, C. Lai, V. Hervé, R. Zaiss, F. Chassagne, E. Bureau-Point, M. Audibert, J. Berger, F. Wieringa, *et al.*). *Soil Use and Management*, 39(3): 1172–1184 (2023). [Available here](#).
- Revisiting the trade restrictions-industrialization nexus in developing countries: The case of log export ban and wood processing (with M. Zerbo). *Journal of Forest Economics*, 38(2): 195–233 (2023). [Available here](#).
- Social interactions and spillover effects in Chinese family farming (with H. Guo). *The Journal of Development Studies*, 55(11): 2306–2328 (2019). [Available here](#).
- Explaining the persistence of low income and environmentally degrading land uses in the Brazilian Amazon (with R. D. Garrett, T. A. Gardner, T. F. Morello, J. Barlow, D. Ezzine de Blas, J. Ferreira, A. C. Lees, and L. Parry). *Ecology and Society*, 22(3) (2017). [Available here](#).
- The colonial origins of deforestation: An institutional analysis. *Environment and Development Economics*, 21(3): 318–349 (2016). [Available here](#).
- Protected areas, local governments, and strategic interactions: The case of the ICMS-Ecológico in the Brazilian state of Paraná (with A. Sauquet and J. G. Férès). *Ecological Economics*, 107: 249–258 (2014). [Available here](#).

The environmental efficiency of non-certified organic farming in China: A case study of paddy rice production (with H. Guo). *China Economic Review*, 31: 201–216 (2014). [Available here](#).

A social and ecological assessment of tropical land-uses at multiple scales: The Sustainable Amazon Network (with T. A. Gardner, J. Ferreira, J. Barlow, A. C. Lees, L. Parry, *et al.*). *Philosophical Transactions of the Royal Society B*, 368(1619) (2013). [Available here](#).

The relationship between technical efficiency in agriculture and deforestation in the Brazilian Amazon. *Ecological Economics*, 77: 166–175 (2012). [Available here](#).

Legal origin, colonial origins and deforestation. *Economics Bulletin*, 32(2): 1653–1670 (2012). [Available here](#).

Working papers and research in progress

“Beyond the Surface: When Termite Mounds Affect Rice Production in Cambodia?” (with C. Lao, M. Audibert, P. Jouquet, R. Muon, and K. Sok). Submitted to *World Development*.

“No Plan, No Aid? The Effects of National Adaptation Plan Implementation on Received Adaptation Aid” (with P. Beaucoral and M. Goujon).

“Termite Mounds, Input Allocation, and Agricultural Misallocation” (with S. Chheang).

“Sentiment Analysis and Air Pollution: Evidence from Weibo Posts in China” (with D. Cubizol and H. Guo).

“Sentiment Analysis and Air Pollution: Evidence from Industrial Firms in China” (with D. Cubizol and H. Guo).

“Impacts of Extreme Climate Events on Technical Efficiency in Vietnamese Agriculture” (with Y. Diallo and E. Espagne). CERDI Working Paper 2019/12; AFD Research Papers.

Other publications

The Physical Vulnerability Indicator to Climate Change: What Role Can It Play in Thinking About Adaptation Policies and Their Evaluation? (with M. Goujon and O. Santoni). In H. Gérardin and M. Clément (eds.), *Development Policies, Actors and Evaluations*, Éditions EME (forthcoming, 2026).

Measuring Vulnerability to Climate Change (with M. Goujon). In F. Cafarelli (ed.), *The Resilience of Territories Exposed to Natural Hazards*, Mare & Martin (2023) [in French].

A Comparative Measure of Territorial Vulnerability to Cyclone Activity: The Case of Vietnam (with M. Goujon and O. Santoni). In R. Bentirou Mathlouthi and A. Pomade (eds.), *Environmental Vulnerabilities: Interdisciplinary Perspectives*, L’Harmattan (2023) [in French].

Research grants and projects

ECOTERM (ANR-PRC): Economics Work Package Coordinator. Research on ecosystem services of termite mounds in agricultural landscapes in Cambodia; work-package budget: EUR 110,000. 2023–2027

I-Site CAP 20-25 doctoral scholarship (Ngoc Ha Le). 2019–2022

Rede Amazônia Sustentável: international interdisciplinary research network on sustainable development in the Brazilian Amazon. 2011–2015

Selected conference and seminar presentations

38th Association Tiers-Monde Conference, Bordeaux; FAERE Conference, Grenoble; 24th EAERE Conference, Manchester; INRA–CERDI Workshop on Land Use and Environmental Socio-Economic Vulnerability, Clermont-Ferrand. 2018–2023

RAS Symposium, Caraça, Brazil; AFSE annual meetings, Lyon and Aix-en-Provence; 20th EAERE Conference, Toulouse; INFER Conference, Orléans. 2013–2015

ISEE Conference, Rio de Janeiro; ADRES Doctoral Conference, Marseille; CSAE Conference, Oxford; CERDI International Conference, Clermont-Ferrand; NAKRE Research Day, Utrecht. 2010–2012

Invited seminars: CEEM, Montpellier; GRETHA, Bordeaux; CleRMa, Clermont-Ferrand; Nanjing Audit University; LEO, Orléans; and LEF, Nancy. 2011–2022

Supervision

Current: Chanrithy Lao (PhD, ECOTERM, with M. Audibert and P. Jouquet); Pierre Beaucoral (PhD, climate finance, with M. Goujon); Sreyphéa Chheang (postdoctoral researcher, ECOTERM).

Completed PhDs: Yoro Diallo (2021; now International Monetary Fund); Mouhamed Zerbo (2023); Maimouna Barro (2024).

HDR mentoring: Lionel Védrine (INRAE), HDR defended in 2025.

Professional activities

Institutional service: Member, CNECA Section 9 (Ministry of Agriculture) since 2022; elected member, UCA Board of Directors (2021–2026); elected member, CERDI Laboratory Council (2017–2021).

Scientific service: PhD dissertation reviewer for Roxane Sybille Simamindra (2023) and Badreddine Aboufarasse (2024); organising committee member, first International Conference on Development Economics (ICDE), Clermont-Ferrand (2023).

Refereeing: *Agricultural Economics*; *American Journal of Agricultural Economics*; *China Economic Review*; *Ecological Economics*; *Environment and Development Economics*; *Journal of Productivity Analysis*; *World Development*; and others.
